Re: Music Ministry Workshop/Christmas Musical

Greetings in the name which is above all names, Jesus Christ,

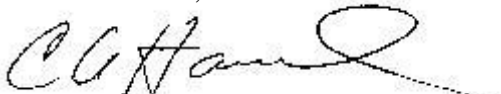

With great excitement we extend an invitation to you and your music ministry to join us in a music ministry workshop that will be like none other. The dates are **Wednesday, December 14, 2011 through Friday, December 16, 2011**. We will culminate with a **Workshop Christmas Musical on Friday evening December 16, 2011 at 6:00 p.m. Friday nights' musical is FREE AND OPEN TO THE PUBLIC**. In an effort to meet the needs of participants, we are offering sessions on Wednesday and Thursday evenings followed by rehearsal. This workshop is not limited to just the voices, all musicians and members are invited to participate.

Our workshop clinician is none other than **Minister Chester D.T. Baldwin of Houston, TX**. Minister Baldwin is an accomplished musician, director, composer, and psalmist and has been an active and integral part of the Gospel music scene for the past 28 years. His work includes the projects "Sing It On Sunday Morning" recorded live May, 1999 and "Sing It On Sunday Morning II: Just Having Chu'ch" recorded October, 2001. Both releases have received national rave reviews and have produced some gospel radio standards including; "God Is Good," "I Still Hear Mama Praying," "Just Having Chu'ch," "Get Right Church," Ready, Willing and Able," and "Lord I'm Trusting."

Registration is now open. All registration packages include sheet music, workshop classes, and refreshments on Thursday evening. For more information and to register online please go to our website [www.pleasantshade.org](http://www.pleasantshade.org).

We look forward to having you and your ministries join us for a time of perfecting in the area of music.

In His Service,

Reverend Chester A. Hammond, Jr.
